Comment: Happy birthday Chris. You 've definitely made my husband 's birthday! he just about fell off the chair when he realized that you 'll be playing here in Toronto, about five minutes away from where we live. My husband has been a fan of yours since he was young and still has and plays your vinyl records! Unfortunatley I wont be able to attend the concert as I 'm off to the UK but He 'll be there. I 'm sure this is one of the best birthday gifts he 's ever received - tickets to you
