Comment: Happy birthday, Chris and thank you for innumerable concert experiences through fifty years. April 20th 1989 you planted a maple tree in the music hall park in my town before a concert. To day it is more than 10 meters tall and handsome. You can see it again when you will be playing with your band here in Aalborg on october 5th this year. I am looking forward to this occasion. Best wishes Poul Villum.
