**Comment:** Chris and Pat, The Storyville Jassband of Arnhem-NL congratulate you on your birthday. Since our band started in 1959 your band and you as individual players have always been examples to us. Our band is still going strong, we hope we may be able to listen to your music for many more years! Keep well and carry on!

**Comment:** Dear Chris,  
it was in 1995, when I have heard your title Jambalaya (Live in Bremerhaven on a CD) the first time .  
Now – after 10 years – I am your fan further on having lots of fun listening your records and visiting every event that I have been and will be able to see.  
I am very happy to see you on your 75th birthday in Ravensburg in April, 17th.  
Yours kindly

**Comment:** I can't find the words to begin to thank you enough for all the enormous pleasure you and your music have given me over the last 40 years. So many bands started playing "trad" jazz, but yours was always the best - the tightest, the most exciting and most 'melodic'. The old band, the new big one, I love them all. You have given me such joy in music - THANK YOU.

**Comment:** Dear Chris,

yesterday March 9 2005 I had the opportunity to join your concert in Munich - and I was deeply impressed by your vibrant and lively aura and the perfect performance from you and your great band!

"Ihre Moderation auf Deutsch" provides a smart wrapper to a great evening. Talking to you after the show really did top my evening off.

For your birthday I wish you all the very best, that you are able to keep up your mood and can continue your great music! Sin
