July 1980

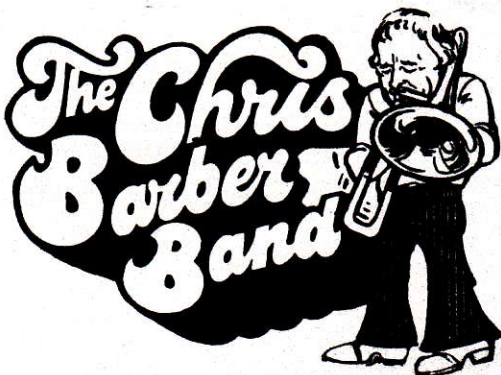

The Chris Barber Band plays the last date of its 1979/80 season at the Alfred Beck Theatre, Hayes in Middlesex on Sunday July 6th.. The Band 're-convenes', though, during the holiday on Friday July 11th for an appearance at the Capital Radio Jazz Festival at Alexandra Palace.

The Pat Halcox All-Stars tour again this summer. Most dates are with special guests Sweet Substitute. The personnel for this year's All-Stars is:
Pat Halcox: John Crocker: Vic Pitt: Campbell Burnap:
Johnny McCallum: Johnny Parker and Jim Garforth.

The recently issued 'Chris Barber Story' on Black Lion is NOT available direct from us. We have had a number of enquiries for this and other Black Lion releases. We only supply specific titles as announced from time to time - particularly titles not available in the UK. So, please, if we have not advertised an album don't write to us for it - if you do experience any difficulty write direct to Black Lion Records. (5 St. Peter's Villas, Hammersmith, London W6).

You may see advertised in the London area, or on the 100 Club newsletter, Chris Barber's Band to appear at that venue on August 27th.. Unfortunately we had to change the date after their advertising material went to press. The next appearance by Chris Barber at the 100 Club will now be Wednesday September 10th..(The Pat Halcox All-Stars appear there on July 26th).

The Band returns from holiday on August 25th at Winchester, followed by two days in Germany. Most dates from then until mid-October will be in the UK including appearances in Scotland in early September. Full dates follow later.

Please note that we do not undertake to issue a fixed number of newsletters per year. They are sent out in relation to touring periods in the UK and they vary each year. So to those that have written, and had no reply, to the question "where's my newsletter for month X?" the answer is there wasn't one.
