CHRIS BARBER'S JAZZ AND BLUES BAND

Chris Barber and his band will be playing at the Half Moon Public House in Putney on Thursday 30th June.

For over twenty years now Chris and his band have crusaded the cause of New Orleans's Jazz and Blues to international acclaim and ever increasing popularity.

This much is well recorded but what is not commonly known is that Chris also founded the legendary Marquee Club in Soho and also the Reading Festival!

Many major blues artists were introduced to British and European audiences through the Barber Band. Artists such as SONNY BOY WILLIAMSON, SONNY TERRY AND BROWNIE MCGEE, MUDDY WATERS and more recently Dr JOHN were first spotlighted by CHRIS BARBER!

This year Chris Barber's Jazz and Blues Band are performing a series of selected dates in England. They have played The Royal Festival Hall, The Marquee, The Fairfield Halls and will now be appearing in the intimate surroundings of London's premiere Youngs pub, The Half Moon in Putney. Tickets are limited and are available on a first come - first served basis. Postal applications are welcome on the form below.
