Comment: I first saw the band at the White Lion in my home town of Edgware in the early 60s and have since bought nearly all the early records - including the band with Ben Cohen, etc., but I love the stuff you did in the late 60s and 70s too! And now you are doing great with the bigger band.

Congratulations on your 3/4 century and I hope you and the band keep going for many years to come.

Comment: I have been a devoted fan of your wonderful music for the past 50 years and wish you a most happy 75th birthday as a token of the pleasure your music has have given me over the years.

As a schoolboy I bucked the trend for pop among my peers and decided it could only ever be jazz of the Chris Barber version. I have never changed.

So I would thank you most sincerely for the enhancement to my life and look forward to seeing you at Middlesbrough and Keswick.

Comment: Happy Birthday Maestro!!

Have a wonderful day and thank you so much for your music. You are without a doubt one of the nicest people I have ever met! Keep up the magnificent work sunshine! I'll see you all on Sunday in Tewkesbury.

Hope you have a fantastic(and well deserved rest!),birthday. Take good care of yourself.
 With love and Best Wishes Always
 Stacey x

Comment: Hi Chris,

Best wishes on your forthcoming birthday. You have given us a lot of pleasure with your music over the years and I hope you continue to do so for as long as you wish. We have met on a couple of occasions the last one being in my home town of Preston. My own web site (www.jazznorthwest.co.uk) has become very popular achieving 3,000 visits a month, and I guess it would never have happened if you hadn't sparked an interest back in the 50s. Have a great Birthday.

Fred

Comment: Dear Chris,
 Happy 75th. I have been a happy listener since age 15 1960 when I bought Hot Time in Old Town Tonight and Chris Barber in Copenhagen 1960.
 We have met when your band played at Reading some years ago. I am looking forward to purchasing your latest release on Lake Records, the three Classic Concerts.
 All the best for the future, best regards, Mike Hegarty.
