**Comment:** Pat

First saw the band at the Odeon in Guildford in 1955 when I was a teenager. Always loved the band, especially  
your beautiful tone and lyrical phrasing. I've seen the band many times, last time in Llandudno when I was  
proud to shake your hand. Good luck and keep it up! Merrick

**Comment:** Hi Shirley & Pat. We have recently bought a computer so are now able to more easily follow your  
movements. Loved the show at Sevenoaks. Superb sound and a joy to hear you blowing so well. We hope to be  
able to attend more concerts in the future. Take very good care of yourselves. Not many of the good ones left.  
Always my favourite band.

My apologise for the delay in my congratulations. Thanks so much for your beautiful music and innovation over so many years. I tried after first seeing the band live 54 years ago to emulate your style on a rather bedraggled cornet..without much success!

Anhow have been privileged to have the opportunity of meeting you also delighted to meet your son (at the 100 Club)..whose sparkling careerI am following with interest in the medical literature.

Thanks again so much

Best
