We have had many enquiries during and since the 'Swing is Here' tour about the availability of recent recordings by Trummy Young. The short answer is that there have been no new recordings of Trummy issued in Europe for at least the past ten years(as far as we or Trummy are aware).

Which makes our special offer even more attractive. We have had made available to us the two most recent albums recorded by Trummy and they are on special offer to Chris Barber fan club members only. The albums are not available through any other source and will not be for at least six months.

They are: TRUMMY YOUNG - 'A Man and His Horn' (Flair 7476)

YOURS TRULY - TRUMMY YOUNG AND FRIENDS (Flair 7477)

These imports are available to Fan Club members at £4 each inclusive of postage or both albums for £7.50 inclusive of postage. Flair 7476 is recorded with a big band and on some tracks strings. It includes titles such as Margie; Mood Indigo: T'Aint What You Do: Georgia On My Mind etc..

Flair 7477 is an All-Star line up with Trummy are Dick Hyman, Barney Bigard, Milt Hinton, Pee Wee Irwin, Paul Madison and Bobby Rosengarden. Titles include Perdido, Creole Love Song, Struttin at The Barbecue etc.

Make cheques and PO's payable to Vic Gibbons at this address.
