

CHRIS BARBER

JAZZ &
BLUES BAND

Chris Barber appears as special guest with the Monty Sunshine Band at the Marciac Jazz Festival, Nr. Toulouse, France on August 14th. This is just a 'one off' during the holiday period.

1989 is the 35th. anniversary year of the formation of the present Chris Barber Band and there will be a number of special concerts to mark the event. The content will vary depending on the availability of guests who will include Lonnie Donegan, Monty Sunshine, Rory Gallagher, Alan Price and others at various times throughout the year.

The main London concert will be at The Fairfield Hall, Croydon on Thursday April 13th. and will feature the entire 1954 original band plus Beryl Bryden (she played washboard on Rock Island Line) and Rory Gallagher.

The first of the special 35 year anniversary concerts will be at The Wyvern Theatre, SWINDON on Tuesday January 24th. with special guest RORY GALLAGHER.

Chris and his children (Caroline and Christopher) recently took part in Thames TV's 'Whose Baby' series. We haven't a clue when transmission is due because, for obvious reasons, Thames TV won't tell anybody!
